EDITORIAL

The weeks which have separated this issue from the last issue of "The Warrior" have vanished. Where they have gone, no one knows. The only sure thing about these past weeks is that we know they have gone.

There is no progress, in certain cases (this is one of the cases), made when we dwell upon the past too much; therefore, we shall dwell upon a few of the events which the future supposedly hold for us in this coming month.

Easter Day is the most important of any of this month's days. This day is significant not only for its religious importance, but, also, because of its importance to every one of us. So, when we celebrate this day, let's celebrate it for the purpose for which it stands.

This month is supposed to be the month wich builds up for the coming supply of May flowers, that is according to the old saying "April showers bring forth May flowers." Of course, the showers would be inconvenient at times, but the May flowers would compensate us.

April Fool's Day (All Fool's Day) got us the first day in April. We hope that this day won't leave a permanent mark on us because, after all, aren't we all foolish enough? What some of us haven't, as yet, been able to figure out is why one day has been set aside in which we can make fools of ourselves. We can (and do) make fools of ourselves every day in the week. It all seems rather strange doesn't it?

Well, now to get back to a more serious trend of thought, on April 7th the drive for the subscriptions needing in the Annual Campaign will be up. Let's get going before the time is up.

Continued on page 2

On March 7, we were honored by a visit from three students from the University of Oregon. They spoke on "The American Way."

Ted Parry, sophomore, introduced Bill Moshofsky, freshman, and Leonard Clark, senior. The talks dealt with the American manner of life, and American ideals.

***

A Student Body meeting was held on March 13, for the purpose of describing the trip to the Albany Tournament by the basketball team.

The trophies won were presented to the Student Body by Bob Walker.

George Hurt and Jim Neal gave a description of the trip to and from Albany, and of the Tournament itself.

Paul Hensley gave an account of how the name "Knot Head" became one of the by-words for the rest of the stay.

And it seems as though the trip home was held up by three supposedly responsible members of the party, who were late. There were several guilty faces at the Student Body meeting when this tale was being told, and we can probably draw conclusions from them. You never can tell about these "responsible" people!

***

The High School and the Eighth Grade held assembly in the Auditorium on March 18, for the purpose of hearing Mr. Howard Burgher, of Portland, speak on the subject of "Life."

Mr. Burgher and also Rev. Koenig of the Warrenton Christian Church were introduced by Rev. Campbell of the Warrenton Methodist Church.

EASTER VACATION

Good Friday will be given as a holiday for both grade and high school. School will resume with classes on Monday, April 14.

Editorial (Cont.)

Gosh, wouldn't it be great to have the teacher's throw another party? Well--let's get going, it's still a possibility!

Also one of the coming events of importance to our school is the coming of the baseball season. Everybody will be out to play or enjoy in other ways the great American game. Baseball will be in the air--discussed on street corners, in newspapers, on the radio and so on. It will be an item of interest to nearly everyone.

When this month has left us, there will be only a very few weeks left to this present school term. One can observe the effect this fact will have on the students. Some will be happy; some will be sad; some will be neutral, but all things being considered, a great amount of entertainment will be furnished. --F.K.

The meeting of the Senior Home Ec. Club was at the home of Mrs. John Alto (Earthea Moore) in Seaside on March 11. The evening was spent sewing and playing games.

Concluding the evening, the hostess served refreshments to Betty Shultz, Jean Brons, Florence Peterson, Miss Melville, and Mrs. Dorothy Shoop.

The next meeting will be at the home of Harriet Hudelson, April 8, 1941.

HAVE YOU SUBSCRIBED TO THE ANNUAL?

OUR NEW STUDENT WRITES FOR US

Being a student from the school of Kimberley B. C. I have found this school much different.

In Kimberley we were allowed to taken eighteen subjects, forty-minute periods.

Because there was such an awfully large number of students in High school we all gave our co-operation in carrying out the rules of going up the stairs one at a time single file to your right, to the right in the halls, not going to lockers in between periods, going out the right doors, keeping halls, lockers and class rooms clean, following fire drill rules carefully--(no talking in drill, double file, right exit, rapid pace), not wasting any time in periods or during intermission, Library noiseless always, obey prefect, no chewing of gum. If we were absent or late we were not admitted into classrooms without filling out forms; the teachers each period filled out a form showing that everyone was there that was present that day. Each Monday morning we had an assembly where there was a gathering of 2000 students just High School. Three prefects were elected from each grade to see that everyone carried out the rules of the school. The students council consisted of Secretary, President, and treasurer of each room and of the school; also the representative of each club. The paper quill staff consisted of three persons elected from each room who also printed the annual. The schools sport competitions consisted of hockey, basketball, tennis, badminton, public speaking, debates and music against other schools. There was also a competition of houses; the houses were arrangdd in order so that the initial of each person's surname showed which house they belonged to. There were four houses, white, purple, gold, and green. There were often High School parties and dances. Every student in the school belonged to a committee such as: friendship committee, service committee, social committee, etc. Every girl belonged to the girls' club. Every Friday afternoon there was 1 hour for clubs. We could belong to any club, dramatic (Jr. and Sr.) first aid (Jr. & Sr.) Red Cross, Music, Typing, Library, Public Speaking, Homes, Woodwork, English, French, German, Latin, Social Studies, Science, Physics, Chemistry, art or have a study period. The school had a Doctor and nurse who were in the school continually. Every boy in the school a cadet and trained 3 hours a week and in spare time. There were 700 rifles in the school and now uniforms.

APRIL FOOL'S PARTY

On Tuesday, April 1, the faculty women were guests at the Fred Hurlbutt home, where joking and joviality were the reigning spirit of the evening.

Guests were sent to the Pest House upon their arrival and after verbal examination were allowed to mingle with other guests--with one hand in a paper sack.

Games were played which led up to the surprise of the evening--a good April Fool's joke on all.

Refreshments were a dubious affair; everything looked especially good--and most of it was, but in several spots there were questionable pieces of food.

The hostesses, Mrs. Hurlbutt, Mrs. Wilson, and Mrs. Walker, presented Mrs. Montgomery a lovely gift at the end of the evening's entertainment.

Ye Olde Flunke Daye!

Most of you have heard the inside dope on the flunk day party of the Seniors, about the boys all going in bathing with their clothes on, Jim trying his darndest to get carried out to sea, Paul having a flat tire, all the dill pickels and olives everyone ate, and an uncertainity of what the beverage was because of the way we acted. All in all a super, snazzy, glad time was had by all.

If you don't believe they had a good time listen to the remarks made by the flunkies!

Barbara: Had a perfect time!
Bob W.: It was the "nuts." It beat me all to #### censored!
Ellen B: A swell time was had by all.
Paul H.: It was Su-u-u-p -ah!
Ed A: Had a swell time and would like to go again.
Marie Kerr: It was one day I'll never forget---for awhile!
Dorothy V. H.: It was swell.
Jim N.: It's fun if you don't go swimming!
Fred K: It was Okay! I got soaked! (That's no lie)
Del B.: "Plenty of fun." Let's go on another one.
Con W.: Many days like that in a row, would even make a Canadian Mounted Police look old and decrepit.
Mrs. Montgomery: "You may speak of dignified Seniors; but, you should see them on "Flunk Day" when they throw "dignity" to the winds and enjoy themselves. It was fun for everyone, I think, some of course, enjoyed it more whole-heartedly then others. All in all it was fun.

FATHER-DAUGHTER BANQUET

On Tuesday evening, March 17, the Girls' League reverted from the usual Father and Son or Mother and Daughter, and had a Father and Daughter Banquet. A short program was enjoyed, during which Carolyn Wilson proposed a toast to fathers.

After a very enjoyable evening Mr. F. M. Wilson spoke for all the fathers in saying their hats off to the swell cooks (Mrs. Montgomery, Miss Melville, and Barbara Jones) and also to their swell daughters for inviting them. They also all expressed the opinion that a similar banquet should be held in the near future. Everyone agrees that it should at least become a tradition.

The fathers attending were: Mr. Birkholz, Mr. Hudelson, Mr. Brown, Mr. Shappee, Mr. Nasser, Mr. Haggblom, Mr. Peterson, Mr. Wilson.

Betty Brons and Elsie Amend.

OPERETTAS

Two operettas were given by the Grade School. "To Market, To Market" concerned two little Dutch children in Holland, and how they got to go to the Carnival on Market Day. It was a Primary Grade project.

"It Happened in Holland" is the story of gipsies and milkmaids and a Carnival on Market Day... It told, musically and orally, about the ill-tempered Burgomaster who forade the dipsies to come to the Carnival and how his little daughter, the pretty little Dutch doll, was discontented and wanted to be in ghe gipsy fortune-teller's place. The whole operetta is charming and the colorful costumes and scenery add much to the story.

"SPOOKY TAVERN"

A play cast is working earnestly to produce "Spooky Tavern", the student-body play scheduled for May presentation. Despite the handicap of infrequest and cancelled play practices due to the press of other activities, the action is coming along well and will be ready for the audience when the curtain is pulled on May 2.

At each practice, on a stage equipped with make-shift props, Carolyn, as Lucy Hacker the spiritualistic medium, moans and prophesies in weird manner; Willie, (Freddie), stutters and groans through his lines; Terry (Lloyd) and Ralph (George) banter jokingly at each other; Bedelia (Lorraine) is continually afraid; Florabel (Harriett) pleads and implores the group to leave; Joyce (Phyllis) finds something new to disturb them; Lon (Gerald), Blackie (Bill) and Farone (Fred) frighten and upset the group in the old mill inn. The Ghost Woman (Florence) does her share the thrilling.

Be sure to save the date, May 2, to see this chiller-thriller of a play.

GOSSIP

It seems as if a Senior boy finally landed a girl friend. About time, Ed.

***

Criticisms have their downfalls, eh, Lila?

***

One of our so-called mighty senior boys has taken quite an interest in a freshman girl. Can't say I blame you, Bob.

***

B. B. & H. H. have been going along nicely here lately. Keep it up, you two.

***

Two sophomore boys have been visiting Astoria (and girls, of course) quite frequently. They are following in the foot-steps of their big brothers.

We wonder if Jim Broderick is being a good little boy since Norma is away.

***

A certain Junior girl while attending the sock dance said all the boys of W. H. S. were too stuck up. What's the matter with all of you boys?

***

It has been said that the boys are going to take their best girl friend to the "thrilling" show coming. (The monster and the girl.) We wonder why?

***

Who was the girl Bob W. took to the show Saturday nite? I heard a few complaints, Bob.

***

We see B. W. has a new boy friend. L. S. if we're not mistaken.

***

Why did "Coach get that bewildered look on his face when Carolyn W. announced that a large, stately looking man, wearing very red clothes, was on the premises?

***

Two senior boys and two senior girls had a gay time at Hammond Saturday nite.

SPORTS

WARRIORS WI LAST LEAGUE GAME!

The Warrenton basketball team won its sixth game in eight league starts by defeating the Knappa five, 37 to 20. It was the last game of the regular season for the Warriors, and they found themselves again occupying the second place slot in the league standings. Westport, undefeated, is again the county "B" league champions, although Warrenton made a strong bid for that honor in their second game with Westport, losing by only 6 points.

Warrenton ended up the regular season with 9 victories and 4 defeats, a good record. The Warriors lost two early-season, hard-luck games to Nehalem, besides the two Westport set-backs.

Del Beidleman, flashy forward led the team in scoring with 99 points in the 13 games played. Bob Walker followed closely with 91 points. Other players scoring: Krebs--56; Neal--41; Kuhl--32; Hensley--27; Hurt--21; Coffey--19; Sanford--17; Bosshart--16.

During the regular season the Warriors scored 420 points to their opponents' 257.

The Warrior second string won the county championship by defeating the Knappa second, 23 to 17. The Warrenton team is undefeated in league competition at the close of the season by virtue of their win. Their only defeats of the entire season were 2 non-league games with Nehalem and Finnish Lutheran , losing by 4 and 5 points, respectively, to compile an outstanding record.

WARRIORS ALBANY TOURNEY CHAMPS!!!

The Warrenton Warriors continued their currently successful athletic campaign of 1940-1941 by copping the Albany College Invitational Tournament championship at Portland, and adding two basketball trophies--one permanent and one rotating--to the previously garnered inter-county football championship.

The Warrenton boys played excellent ball throughout, improving as the tournament progressed and they became more accustomed to the gym.

The Warriors played three tough teams, defeating them all in close, hard-fought games. Warrenton consistently came from behind to score sparkling victories over their fighting opponents. In each of the three games Warrenton displayed a very capable stall in the closing seconds after coming from behind to obtain a narrow lead.

The drawing was held at 10:30 Friday morning and Captain Del Beidleman drew the first game of the day against Mohawk. The final score of the game was Warrenton 29, Mohawk 21, due to a last quarter scoring spree by the Warriors. At

(Continued on next page)

At the end of the third quarter the score was tied at 19 to 19. In the last quarter Warrenton made 10 points to Mohawk's 2. Bob Walker led the Warriors against the excellent Mohawk team with 11 points.

In the second round of games Warrenton met the strong Nestucca quintet, victors over Tigard by a 31 to 19 score, in a real thriller. At the end of the contest the score was tied at 17 to 17, and in the three-minute overtime that followed, Beidleman sank the winning bucket to make the final score Warrenton 19, Nestucca 17. Walker again was high point with 9 for the victorious Warriors.

These two Warrenton victories put the Warriors in the finals against the classy Roseburg "B" team Saturday night. Roseburg had previously beaten Gaston, 25 to 19. and the high-scoring Garibaldi team, 35 to 33. The Warrenton-Roseburg game was for the Championship, and these two teams proved definitely to be championship contenders as they combined to produce the best game of the tournament. With four minutes of the game remaining, W. H. S. was four points behind. In the last four minutes, however, the Warriors caught fire and scored 10 points to Roseburg's 1. Walker and Beidleman combined to lead the Warrior attack against Roseburg with 9 points each. The final score of the championship game was Warrenton 31, Roseburg "Bs" 26.

As mentioned before, the Warrenton Warriors took first place honors with Roseburg taking second. The definitely hot Garibaldi team captured third place, Nestucca fourth, and fifth place went to a good Mohawk team that deserved a better fate. Gaston took sixth, Tigard seventh, and Colton was last with eight place.

Walker led the Warrenton scoring during the three tourney games with 29 points. Beidleman had 20, Hensley 14, Krebs 10, Kuhl 4, and Neal 2. The other two players Bosshart and Hurt, failed to score. The total Warrenton scoring was 79 points to the opponents 64.

Bob Walker, dependable forward very deservedly won a berth on the all-star first team. His playing was a large factor in Warrenton's succuss. Del Beidleman, who sank the winning bucket in the Nestucca game besides making some spectacular shots in the Roseburg contest won an all-star second team berth along with Paul Hensley, the lad who consistently broke the opponent's hearts with those long one-handed shots in each of the three contests. Kreb's backboard and defensive play was something to write home about, to say nothing of the 10 points he contributed. Kuhl and Neal alternated at the other guard post to provide plenty of trouble for the opposition. The whole team combined to exhibit a fine brand of basketball throughout the tournament, and mention should be made of their excellent conduct and hard work during their stay at Portland.

Clatsop County Captures Honors

Clatsop County proved to be the hotbed of basketball in the state of Oregon by winning everything possible in the various tournaments of the state.

To start it off, Warrenton, who took second place in the Clatsop "B" league, journeyed to Portland and copped the tough Albany College Invitational tournament championship for the first time since the tournament started, five years ago. By defeating the excellent teams of Mohawk, Nestucca, and Roseburg, "Bs", the Warriors ran their season's victories to 12 against 4 losses.

Next, Westport, champions of the Clatsop "B" league, went to Ashland and added the State "B" championship to their county supremacy. By winning their three games at the tournament, the Pirates boast the remarkable record of 22 victories and only one defeat, that to Astoria, an "A" School.

Finally, Astoria, district 10 champions, entered the annual state tournament at Salem, and after decisioning Vale, Eugene, and Oregon City, upset the favored Salem team in the finals to capture the State "A" Championship for the first time since 1935. The Fighting Fishermen engaged in close games all through the tournament and were forced to play steady, hard basketball, to obtain the title, "State Champs."

Besides these three tournament championships going to Clatsop County schools, the Astoria YMCA team captured the Northwest Championship at Seattle.
